1. CUSTOMER SEGMENTS

Car Owners

Individuals looking for new or used parts who want the best price without visiting multiple shops.

Garage Owners

Repair workshops buying parts in bulk who need parts fast at highly competitive prices.

Scrapyards

Business partners paying subscriptions to list parts and benefit from digital customer reach.

2. VALUE PROPOSITIONS

For Customers

- Compare all sellers transparently
- 100% compatibility via VIN number
- Direct negotiation inside the app
- Delivery in 2 to 4 hours

For Businesses

- Digital presence across Oman
- Reach customers nationwide
- Professional online listings
- Reduced operational overhead

3. MULTI-CHANNEL ACCESS

Mobile Application

The main platform for search, order, and purchase transactions.

Web Portal

Full access via browser for commercial and garage management.

Social Strategy

Marketing via Instagram & TikTok to attract modern customers.

4. CUSTOMER RELATIONSHIPS

In-App Chat

Direct communication between buyer and seller for negotiation and trust.

Live Tracking

Full transparency with real-time delivery status for every single order.

Ratings System

Building a community-vetted database of reliable sellers and quality parts.

Smart Alerts

Personalized notifications for price drops, offers, and order progress.

5. REVENUE MODEL

PRO-TIP: Customer pays ZERO fees to the platform.

6. KEY RESOURCES

Specialized Team

Development, Marketing, Sales, and Support specialists.

Qitaa App Ecosystem

Advanced iOS and Android platforms with real-time sync.

Proprietary Database

Critical inventory data including parts, prices, and VIN history.

7. KEY ACTIVITIES

Tech & Operations

Continuous app maintenance, performance tuning, and order flow management.

Market Expansion

Onboarding new scrapyards and auto shops to expand the seller network.

Marketing & Growth

Aggressive digital marketing, social media engagement, and community building.

Strategic Analysis

Data analysis to improve user experience, conversion rates, and logistics.

8. STRATEGIC PARTNERSHIPS

Scrapyards

The primary source of used and hard-to-find components across Oman's industrial regions.

Auto Shops

Retail partners providing new and genuine parts for customers who prioritize original equipment.

Logistics

Strategic local delivery partners ensuring the 2-4 hour delivery promise is consistently met.

9. FINANCIAL COST STRUCTURE

COMPETITIVE ADVANTAGE

Time Saver

Zero shop visits required.
Search and order in minutes.

Price Leader

Direct competition ensures
the best rates guaranteed.

Precision

100% compatibility verified
via vehicle VIN.

Speed

Ultra-fast delivery within 2
to 4 hours of purchase.
